Dear ICI Members,

Re: 2020 Investment Casting Certification Course

It is my hope that this correspondence finds you, your families and your colleagues in good health and that each of you takes proper precautions to avoid contamination.

This morning a meeting was held to address the feasibility and practicality of conducting the Investment Casting Certification Course, which is held annually at Pittsburg State University.

The University is currently in lock down, and although there are plans to resume operations prior to our planned May 27 – June 4 program, there are no guarantees that the COVID-19 pandemic will be over. Additionally, many of our Member Companies have restricted or banned travel, which would prevent instructors as well as students from attending.

As the safety and health of all ICI Members is our greatest concern, **this year's Investment Casting Certification Course is being cancelled.** Those who have registered for the event may request a full refund or request to have those funds applied to any ICI event occurring prior to and including the 2021 Certification Course.

Sincerely,

Joseph E. Fritz

Joseph E. Fritz
Executive Director
