

Customer Spotlight: Honeywell Aerospace

Gregory Colvin
Honeywell Aerospace

Honeywell Aerospace is a manufacturer of aircraft engines and avionics, as well as a producer of auxiliary power units (APUs) and other aviation products. Headquartered in Phoenix, Arizona, it is a division of the Honeywell International conglomerate. It generates approximately \$10 billion in annual revenue from a 50/50 mix of commercial and defense contracts.

Mr. Greg Colvin will provide a company overview, discuss investment casting configurations procured by the company and address Honeywell's expectations from its supply base.
